Subject: PandZ/ ZBA application for 23 Westfair Drive

I write in support of the application for a pool and outdoor kitchen at 23 Westfair Drive.

The neighborhood has small lots which make pools and patios difficult to have without effecting coverage limits.

The application is modest in coverages and will add to quality of life for the family.

The neighborhood is family friendly with only local traffic.

Additionally with the quarantine protocols from COVID normal socialization and camp activities are limited for the youngsters.

This configuration could partially alleviate the need for additional activities.

I recommend that the application be approved.

Sincerely

William(Bill) Evans
